6	Description of Actions to Achieve Compliance	
7	On Feb 18, 2014 the vessels was to take an LSFO delivery from AEGEAN BUNKERING USA (LLC) in Baltimore, MD. Due to the adverse weather being experienced in the Northeast and the disruption of ship/barge movements Aegean notified us that it delayed their resupply of LSFO for 12 days and would not be able to provide the vessel its bunker. We then scheduled LSFO 1% bunkering in Sint Maarten but due Nustars unplanned maintenance to their loading facility which prevented the loading of LSFO on the barge which delayed its departure from St. Eustatias and arrival to St. Maarten. Grandeur of the Seas will bunker LSFO 1 % in her next port of call, Baltimore, on February 28, 2014.
